STUDENT CONSENT FORM
2021-2022

According to the Family Educational Rights and Privacy Act (FERPA) students must give school consent to disclose his or her educational records. The consent must be signed and dated. This consent acknowledges your rights and privacy. This form gives the Office of Student Financial Aid at Martin University permission to discuss your financial aid with those specific individuals whom you identify by listing them below. Your financial aid **will not** be discussed with anyone outside of the schools officials who have legitimate educational interest, and those with who consent is not required.

Please print the name(s) of the individuals that you give permission to inquire and ask questions about your financial aid.
