

Martin University Cost of Attendance 2020-2021

Cost of Attendance (COA) is the Office of Financial Aid estimate of your educational expenses for the academic year. Your financial need is determined by subtracting your Expected Family Contribution (EFC) from your COA. Based on your enrollment, you will be billed each semester by the Office of the Bursar for tuition and fees.

Costs such as books, off-campus housing, transportation, and miscellaneous personal expenses are estimated to establish your COA and to help you and your family plan for the overall cost of a Martin University education.

Your COA includes the following categories:

Tuition and Fees

Tuition and fees amounts are based on an enrollment of 12 credit hours per semester for an undergraduate student and 9 credit hours per semester for a graduate student. However, the Office of the Bursar will calculate your actual tuition and fees based on the number of credits you enroll in for each semester.

Books and Supplies

Books are a one-time charge for the year. Supplies are estimated based on an average cost of supplies. Included is a one-time purchase of a computer.

Room and Board

Room and Board costs are estimated based on the housing option you reported on the FAFSA.

Transportation

Transportation is estimated based on U.S. Department of Labor Bureau of Labor Statistics data.

Personal/Miscellaneous

Miscellaneous costs are estimated based on your clothing, recreation, medical and dental costs, and life insurance and health insurance.

Note: For students attending less than half-time (less than 6 hours for undergraduate students; less than 4 hours for graduate students), your COA does not include Transportation, Room and Board, and Miscellaneous expenses.

COA for 2020-2021 Academic Year

The following are examples of the full-time Cost of Attendance (COA) for the 2020-2021 Academic Year.
