Dear Students,

Federal Student Aid (FSA) processing for students began on February 2, 2024. Please log in to your student portal to check your FSA disbursement date. Our university has a maximum processing time of 14 days for credit balances with the 14th day falling on Friday, February 16, 2024. Any student showing a credit balance as of February 2, 2024, can expect their refund by this 14th processing day. We appreciate your patience during this period.

Should you have any questions or require further information regarding your aid, please do not hesitate to reach out to financial aid, finaid@martin.edu. If you have a question about your billing ledger or to make a payment, contact the bursar's office, bursar@martin.edu. Please allow 24 business hours for a response to your email or voicemail.

We thank you for choosing Martin University for your education, and we eagerly anticipate continuing this journey together, witnessing your achievements, and supporting your educational aspirations.

Thank you,

E. ZeNai Savage
